I/We have received and read the NCS Financial Aid Policies and Procedures and agree to abide by them.

All parents, stepparents, and guardians must submit accurate, complete financial information. Failure to do so may result in the School not granting financial aid. It is the position of National Cathedral School that all parents retain the obligation to contribute to the education of their children, whether or not there is a legal agreement between them to do so. We expect each parent to contribute as much as our calculations show they can afford, even if a divorce settlement stipulates a different amount.
